In re: United States of America v. Prevezon Holdings Ltd. et al
1:13-cv-06326-TPG

Your Honor:

I write to request a change in the schedule on the motion to quash subpoenas. I've spoken with AUSA Paul Monteleoni and I propose that the deadlines be extended to November 3, 2014 for the government to submit its papers, to November 14, 2014 for the Prevezon Defendants to oppose the motions, and to November 24, 2014 for any reply briefs or responses not covered here. The government does not object to that extension.

Gibson Dunn has filed its motions and I asked by email if those dates were acceptable. I was told that Gibson Dunn were not in a position to answer today.

Respectfully submitted,

John W. Moscow
